

Submitter: Greg Tillman White  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB2007

I am in opposition to any legislation, statute or regulation that intereferes with or abrogates ANY portion of the Oregon Constitution, the United States Constitution and/or Bill of Rights for ANY citizen.

This bill clearly does not comply in full with the Oregon Constitution, United States Constituion and/or the Bill of Rights by requiring ANYTHING to exercise my Constitutionally guaranteed Rights and seeks to deny and redefine who has authority over ANY Constitutionally defined RIGHT. There is NO Constiutional basis for ANY Dilution or Abrogation of our Right to bear arms.

No where can you find any authority to assign control of our RIGHTS to ANY organization or entity.

To deny a legal adult ANY Constitutionally guaranteed Right is wrong . . .morally and legally.

The State has NO LEGAL authority to impose House Bill 2007 on ANY legal Citizen at any time in any place or manner.

Stop HB 2007 NOW!!!!
