

Submitter: Sheila Dooley

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB2659

Please not move HB 2659 forward. We need Climate-Friendly and Equitable Communities now. To do so we urgently need to tackle climate equity and housing issues. This bill will repeal and delay meaningful action on these issues.

Please oppose HB 2659.

Thank you.
