

Submitter: Brandy Simonis
On Behalf Of: HB3390
Committee: House Committee On Judiciary
Measure: HB3390

I strongly Oppose! The animals we are talking about are free, not stuck in caged and used. We are talking about Wolves, Coyotes, Bear, Cougar all animals in which are predator's and impact our farming / cattle community along with irrigation for watering (beavers damming up ditches or ponds so livestock do not receive adequate amounts of water and less feed due to plants not receiving water.
