Measure: HB2005

Dear Chair Kropf, Vice-Chair Andersen, Vice-Chair Wallan, and Members of the House Committee on the Judiciary;

I write in support of HB 2005. It is important to me that Oregon's legislature and all Oregonians do all we can to prevent gun violence. All community members have a role to play.

Banning untraceable ghost guns is a common sense step toward safety. This bill provides updated language to modernize our gun safety laws. It will allow law enforcement the support they need to more consistently apply the gun safety rules we all need to live by. The lack of such laws imperils all parts of our communities.

Please support HB 2005 for a safer future. And thank you for your service to Oregon.
