Measure: HB2948

In reference to HB 2948 directing the Oregon Dept. Of Emergency Management to develop and implement a program to award grants for fairgrounds used as emergency evacuation sites. I can only speak to the Clackamas Co, Fairgrounds in Canby, Oregon, but this fairgrounds was invaluable in saving the lives of many, many animals and pets in the wake of the recent wildfires. Also many families parked their temporary homes within its parking lots and fairgrounds. The amenities that this facility was able to offer desperate livestock owners cannot be minimized. I wholeheartedly encourage your support of this measure to its fullest potential. Thank you for your consideration, Rebecca Wolf
