On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I oppose this house bill 2005. This bill is a direct threat to our United States Constitution. Our 2nd Amendment clearly states "A well regulated Militia, being necessary to the security of a free STATE, the RIGHT of the people to keep and bear arms, SHALL NOT BE INFRINGED. This house bill 2005 should not pass. NO!

Thank you
