

Submitter: Jeff Comini

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3390

I am opposed to HB339. Fur is a renewable resource and an important part of our heritage. Central and Eastern Oregon need predator control. The men and women who perform this task should be able to sell their harvest. I am a licensed trapper of 54 years, I have done damage complaints for the private sector as well as ODFW and ODOT.
