

Submitter: ALBERT PORTER JR

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I totally disagree with this measure, and the blatant attempt to erode, and remove our Constitutional 2nd Amendment rights to own and bear arms. Why has this measure not come to we the people ? I want to represent myself in these matters. Not someone who does not even know my personal tastes and hobbies. HB 2005.
