On Behalf Of: Self  
Committee: House Committee On Judiciary  
Measure: HB2005

This is against the US Constitution and Oregon Constitution and I OPPOSE HB 2005  
US Constitution : The right of the people to keep and bear arms shall not be  
infringed.

Oregon Constitution - Section 27: Right to bear arms; military subordinate to civil  
power. The people shall have the right to bear arms for defense [sic] of themselves,  
and the State, but the military shall be kept in strict subordination to the civil power[.]  
Definition of infringed and I fringement is, "act so as to limit or undermine  
(something); encroach on." And ... "the action of limiting or undermining something."
