Measure: HB2006

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, SHALL NOT BE INFRINGED. HB 2006 is in direct violation of Amendment II of the Constitution of the United States of America. An individual who has reached the age of 18 is considered an adult in the U.S. This is another ridiculous bill that will negatively affect law-abiding citizens who use firearms for self defense, while doing nothing to stop criminals from obtaining firearms.
