Measure: HB2005

I oppose HB 2005, it is completely unconstitutional!

This Bill turns many Oregonians into criminals with 10 years of jail time and \$250,000 in fines, just for taking part in

long standing tradition in our country of making our own firearms.

You won't stop any actual criminals, because they do not follow laws.

This will NOT stand up in court and Oregon doesn't need any more lawsuits, Say no to HB 2005
