I oppose this. This will raise rent across the board. Oregon state is not communist and does not own every house.

Maintenance can charge owners anything and you don't limit contractors or anyone else. This is blatant robbery.

Renters have the right to rent elsewhere and move to places they can afford. That is capital ism.

Why does Oregon double taxes and fees with no limit? Oregon state is simple pirates using thug authority to bully land owners.

No renterslife will be better just worse. Remember \$15 living wage???  
That failed
