

Submitter: brenda sisson

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
 and World Affairs

Measure: SJM6

I wholeheartedly oppose this bill.

As it is important for police officers, judges, social workers etc, to be nonpartisan so
does our Capital grounds.

District of Columbia (DC) in on neutral ground ie: nonpartisan.

Please no not create another state to serve for a basis of votes.

thank you,

Brenda Sisson
