Measure: SB907

No to SB579, No voting for convicted incarcerated felons! Are we trying to destroy our society? Felons in jail are there because they put themselves above the rules of our society. They flouted the law and the good of their fellow citizens for their own benefit. Until these men and women have served their time (paid their debt if you will) and hopefully decided to reintegrate into society, their rite to determine how society functions is suspended.
