

Submitter: Arthur Duggins  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

I OPPOSE SB348, Stop the assault on our 2nd Amendment Rights! Do not waste time and money on this study. Instead of a study, how about actively supporting our police, and actually prosecuting criminals? There are already sufficient statistics available, and we, the taxpayer, should not assume the cost of another study that works to remove or limit the 2nd Amendment Rights of Oregonians. How about a bill that requires the Attorney General and all the prosecutors of the state to do their jobs and prosecute laws that are already on the books. We don't need more "dialogue", meetings or studies. Hold prosecutors responsible.
