

Submitter: Chris Wright  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB3390

Fly fishing and fly tying going hand in hand. Rabbit fur specifically is one of the most used products for flies. Without allowing furs and skins for fly tying just like taxidermy and the other allowances this would force the use of businesses outside of Oregon and have a negative impact on fishing guides, tackle stores, and the fisherman and women of Oregon.
