

Submitter: Ryan Miller
On Behalf Of: Hareline Dubbin Company
Committee: House Committee On Judiciary
Measure: HB3390

Please consider the industries that rely on furs, like fly tying and fly fishing and the economic impact this will have on sportsman and the communities they support while fishing. This bill will absolutely harm companies like Hareline Dubbin Company and those costs will be passed on to outdoors men and women, and will have a negative financial impact that depend on the communities that host these folks.
