Committee: Senate Committee On Judiciary  
Measure: SB348

I am writing in opposition to SB348! So much is going on in our state that is wrong! People are being relieved of their rights and freedoms, while criminals are running crazy and creating havoc! A single mom has no avenue to a firearm to protect her children, right there in the valley, crime is rampant! I'm afraid got these unprotected families and children! I'm a law abiding citizen raised in Oregon! We have always used firearms for protection, hunting and target shooting! Rural Oregon families have always been raised in that atmosphere and yet a bill to remove that right looms in our legislature! It's a heritage that had been there for generations, without issue! Please vote to oppose these bills and save our freedoms! Thank you for your time!
