

Submitter: Kevin Tiebout  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

Members of the Senate Judiciary Committee,  
I am writing to you to oppose SB 348! This SB is the exact same as Measure 114,  
Which is now being  
challenged both in State and Federal Court because of the unconstitutional nature.  
Groups like Lift Every  
Voice, and Mother Demand Action are influencing the Oregon legislature to  
circumvent the court  
proceedings. My Second amendment right does not come from the government and  
our constitution is  
a document that prevents government overreach! My second amendment right is  
protected! All  
Oregonians should fear any right being stripped by the government.  
The Bruen decision that came out last June from the supreme court did set a new  
standard on how 2A  
rights are supposed to be viewed. SB 348 is in direct violation of this ruling! I stand  
with every Oregonian  
and am challenging this in court, and it will be overturned! SB 348 raises the PTP  
from \$65.00 to \$150,  
first we don't pay for a right given to us by the constitution, second, it's making it  
nearly impossible for  
low-income people and single parent household to purchase a gun to defend  
themselves in this inflated  
era of crime. It is time you start listening to your constituents, not the ones that pay  
you and help you  
stay in POWER!  
Measure 114 and SB 348 does nothing but make legal gun owners criminals ! I am  
not a criminal!  
Measure 114 should have never been on the ballot, it is unconstitutional, Secretary of  
State Shima Fagan  
was in direct dereliction of her duties and should be recalled. Attorney general Ellen  
Rosenbaum is  
supposed to remain apolitical, but she abused her position to wage war on law  
abiding citizens! Now the  
Oregon legislature is following suit! The lawlessness in Oregon needs to be stopped!  
Oregon Gun  
owners are not the enemy, the criminals that do not follow the laws are the enemy.  
Thank you for your time,  
Kevin Tiebout Eugene Oregon
