

Submitter: Jason Jackson

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

This Measure is nearly a carbon copy of BM 114 which is being challenged in state and federal court for its unconstitutional nature. This measure is being pushed by people who don't live in this state and are trying to strip away rights afforded to me by the Constitution of the United States. The Bruen decision that came out last June from the Supreme Court set a new standing on how our 2A rights are supposed to be viewed. Measure 114 and SB 348 are in direct violation of this ruling. This will be challenged in court and this will be overturned.

This law flies in the face of all Law abiding Citizens, it criminalized them rather than the criminals who commit violent acts. As a Marine Corps Veteran I swore an oath to protect the Constitution and so did you, how quickly you turn your back on it in the pursuit of lawlessness. You need to rethink what you are doing as you are betraying that oath. Your job is to protect MY rights, even if you don't agree, that is your duty and if you are going to betray that then be prepared to be removed from your office. See you in Court!
