

Submitter: Larry Williams
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB527

Being Born and raised in Oregon and a registered voter, I am submitting testimony in opposition to SB527! This is a violation of our rights and freedoms as citizens of Oregon! SB 527 is direct age discrimination and violates those folks personal rights! They are law abiding citizens! Also I am appalled that these special interest groups are using the Oregon State Senate as a vehicle in a lawless manor to circumnavigate the system! I believe this bill can cause much harm and damage to those who support it just because of their lack of understanding and knowledge of firearm use and possession! They are afraid of what they don't understand! I urge you to vote in opposition to SB 527! Thank you for your time!
