

Submitter: Avis Reddaway
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

I oppose SB348. Instead of yet another study, I request you provide proof of your support for the Constitution, the 2nd Amendment and FUNDING for our Constitutional Sheriffs of Oregon. You were sent to the Legislature to help protect and keep Oregon and our USA, SAFE and FREE. Tell me what will you do when you find the criminal has broken into your property and you the victim and family, discover you can not protect yourself or your family because you chose to write and pass bills like SB348 and SB527 HB2005, 2006 and 2007?

Your solution? You should take your study money and provide training classes to be given by credible Constitutional Sheriffs, Gun Clubs and Gun Shop owners of Oregon. Please stand strong, oppose these bills for the safety of our citizens of Oregon.

You must allow us to remain SAFE and FREE.
