Measure: SB348

Measure 114 is hung up in the judicial system right now, why? Because it's unconstitutional. To bring SB348 within a highly democrat legislative body and then vote on it with little to no time for public to comment on it, seems quite deceptive. Rethink this. I won't be calling Oregon home for much longer if they continue to strip constituents of their rights. This is a bad move and people, the taxpayers, who you work for will be very unhappy. Rethink this.

What exactly are the statistics for crime and or injury from a lawfully purchased and liscenced weapon? Do you know those figures? What are the statistics for crime and injury from a stolen or unlawfully purchased weapon? If you don't know or can't answer; go find out. I'll wait.
