

Submitter: Carli Campbell

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB320

Long prison terms do not benefit society nor the person. Realistic sentencing guidelines are needed giving AICS hope and a promise of a future where they can give back, one day, to society. I served 14 months and my life will never be the same. I have friends who cannot function because of how long they were in. There are alternatives that can be used along with time served. Give everyone a chance
