

Submitter: Brian Armstrong

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose this circumvention and extreme assault on law abiding, tax paying citizens rights. M114 is still winding its ways through the courts at the expense of tax payers. This esteemed committee must realize the legal battles that will also arise from this, at more cost to taxpayers. Please believe this will have no effect on whatever it is you think it will. We would much rather your efforts be directed towards combating the real emanate health issues facing this great state such as crime and the ongoing, mounting death toll from easy access to dangerous drugs. Make Oregon Great Again. Please,
