

Submitter: BERNARD OFFLEY USA RET
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

Sirs, I spent 20 years defending the United States and the State of Oregon, now you are trying to turn our state of Oregon into a socialist police state. This bill violates both the United States and Oregon Constitutions. The bill, also, defies the U S Supreme Court rulings on the 2nd Amendment of the U S Constitution. All this bill will do is cost the State of Oregon taxpayer money defending it in both the State and Federal courts. It will do nothing to stop criminals from committing crimes with firearms. They should make it legal to sue individual members of the legislature when they pass flagrant unconstitutional laws ignoring the U S Supreme Court. THE eastern half of our state have voted to leave Oregon and join Idaho because of actions like this.
