On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

Any bill that infringes on our rights as citizens to keep and bear arms SHALL NOT BE INFRINGED. This bill does just that. It is a backdoor effort by the Democrat party to take away our God given rights. Only God can take these away. Last I heard, The Democrats are not God. But they are gods as they are all worshipped by the Progressive Socialists in our state. Stop this nonsense immediately.
