

Submitter: Janel Hughes  
On Behalf Of: Myself  
Committee: Senate Committee On Judiciary  
Measure: SB348

Please do not pass this amendment. It further erodes our constitutional rights and our faith in government officials we have elected to represent us. We have the right to bear arms. Not just to protect ourselves against criminals but to form a militia. If the government imposes laws to bind their citizens it is no longer a government for the people or by the people. Law abiding citizens help keep peace in society, criminal elements force their will on others no matter the cost to society. Please act for the citizens and not against them. Defeat SB348.
