

Submitter: Roger Bean  
On Behalf Of: SB348  
Committee: Senate Committee On Judiciary  
Measure: SB348

I strongly oppose this attempt by the Democrats to attempt to sneak in language from measure 114 and to try to force additional prohibitions on those of us who may want to purchase firearms. Increasing the cost of the purchase will make it harder for some who may be thinking of buying a gun. Mainly, I oppose and am disgusted with this attempt by the Left to limit ownership and larger capacity magazines. This is not what many people, especially conservatives want.
