

Submitter: Sandra Kerbow

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

To the committee for SB 348

I am in strong opposition to SB 348. It is almost like 114. 114 and SB 348 are in direct violation of the Bruen decision that came out if the Supreme Court last June. None of this will make people safe, actually will do the opposite.

Please vote NO on SB 348

Sandra D. Kerbow
