Measure: SB348

This bill is totally unconstitutional. Not only does it infringe on my constitutional right to own a firearm but it's an invasion of my right to privacy. The democrat agenda is out of control. I am born and raised in this state. I can not believe how far this administration has gone away from the freedom and personal responsibility. I don't want or need to be babysat by the state. I would suggest if you want to keep taxpayers paying taxes you refrain from infringing on our rights. How many lifelong Oregonians have already left this state? Your tax base is disintegrating quickly. Soon the only people left will be drug addicts and the homeless. You might keep that in mind next time you try to pass these infringements on our rights.
