

Submitter: Sharyl Flanders

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB3260

Please support this bill. Self-serve pumps are needed. I owned the motel across the street from Rivers Run and people were always stranded because they didn't fill up before coming up to Detroit or to go over the pass.

Before the fire it was extremely difficult to find employees and since the fire it is even worse.
