

Submitter: Nathan Pietsch

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I absolutely oppose this Bill. This Bill is Unconstitutional! It violates State and Federal Constitutional rights. Those pushing for this Bill should be disgraced for wanting to come against the U.S. Constitution, which is the document our nation was founded upon. If you don't like the Constitution and what it represents, go to another nation and stop trying to destroy America.
