

Submitter: John Woods
On Behalf Of: BRPS
Committee: Senate Committee On Judiciary
Measure: SB348

After reading Measure 114 and. HB 2005, 2006, 2007 plus now SB348 and the Oregon Legislators seeming to think their word is law and overrides the Constitution which it does not. I am not going task for a permit, a permission slip or even bother listening to you blathering idiots.

Here are my permission slips from 1791 and later, that neuters all your stupid grabs for our guns and power.

Fourth Amendment Us Constitution Bill of Rights:

" The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."

The Second Amendment to the U.S Constitution reads:

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed."

Fourteenth Amendment

"All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

Fourteenth Amendment Section One. Pasted again for emphasis.

" No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

I am not asking for your permission slip, your permit or what you feel or want. You don't have the power of office to amend, change or override the Constitution, never have, never will. So save your scary horror stories for those children you can scare.

We all know it is Unconstitutional and will fall, so stop bothering the law abiding citizens. The more you push the more we say Hell No!
