Committee: Senate Committee On Judiciary
Measure: SB348

I oppose this Bill SB348. It is unconstitutional and violates both state and Federal Constitutional rights. I'm sure you already know that, but it doesn't seem to stop with Tina Kotek or Ellen Rosenblum. When will you stop destroying our state with all your illegal shenanigans. A judge has already put a hold on Measure 114 for good reason it violates the constitution. Kotek took an oath of office to obey and follow the constitution ... Well she's not living up to her oath. All illegal. Do you people not understand by trying to pass any gun laws like this will not help the violence in Oregon? Or do you all just don't care about following laws. Criminals don't follow laws and you are making it more dangerous for the law abiding citizen to protect themselves or their castle. Be prepared lawsuits will be coming. Why don't you focus on more important issues which are many in this state. This place has been falling apart with no help from the legislature, which is wrong when the people elected you to represent us. That doesn't mean you just take it up on yourselves to decide anything. Where is the representation of we the People. You all are trying to go behind people's back to pass a unconstitutional bill sneaky sneaky sneaky. You should all be ashamed.
