Measure: SB348

I am writing in opposition to SB 348, as well as the manner in which it was added to measure 114. It was pure deception waiting until 7:00 pm on Friday night. You are NOT representing the people of your districts, you are secretly trying to push your own agenda. This is not a representative government, it is a dictatorship. The measure is still in the court system but you continue to try to push your special interests. These additions to measure 114 have a negative effect and make it a much worse bill. More regulation is not what Oregon needs.
