Committee: Senate Committee On Judiciary
Measure: SB348

I strongly oppose this bill. The government has no right to infringe upon the 2nd Amendment. The government is suppose to protect my rights, not strip them away. I do not understand why our "representative's" fail to comprehend the fact that laws only work on law abiding citizens. Criminals, and individuals who wish to harm others, will continue to do so. You cannot legislate the evil out of peoples hearts.
