Re: Measure 114 Amendment

Just what do you guys think you're doing? Amending Measure 114; "Directs Department of Justice to study ways to address unlawful possession of firearms . . ."  
There are no unlawful ways to possess firearms. Just because you say there is doesn't make it so and you know it. You just keep pushing the envelope to see what you can get away with and we keep pushing back. I really irritates me the way the Oregon Legislature continues to enact unlawful laws, on every topic, to give yourselves permission to break the law. Stop it! Be honest and truthful instead of deceitful and dishonest.
