Measure: SB348

I STRONGLY OPPOSE SB 348 AMENDMENTS

First, I object to amending a 1 page bill with 66 pages with only a weekend to distribute and receive information, and the OLIS system does not send notices of submitted amendments.

This is a well coordinated and hateful attack by the majority party on the half of Oregon who voted against Measure 114 which, of course, included many Democrats. It is a vindictive effort to bypass a court decision Prozanski and the Department of Justice don't agree with. Along with the other bills the majority party are pushing it is a full court press against our rights and the Constitution.

It is a shameful act by the legislature, and not the way to unit Oregon.
