Measure: SB348

This bill does nothing to make gun ownership safer. It is an atrocity! The State of Oregon already has good background check laws in place. The City governments do nothing to address crime or criminals - this is the real issue. The State government is allowing crime to continue at breakneck speed - murder is an everyday occurrence in Portland and surrounding areas. If criminals were taken from the streets and prosecuted and required to serve all of their time in prison, this would help our society. Legal gun ownership is NOT the issue. Stop pretending that it is! Every upstanding citizen in Oregon will oppose this bill!
