Measure: SB348

I am opposed any more draconian gun laws in Oregon. If Moms Demand Action then I demand to be left alone. Stop infringing on my constitutional rights given by the Federal AND Oregon State Constitutions. Take your gun control energy and lock up violent criminals! I would like to see a 10 year minimum prison sentence for any crime committed with a firearm. I'm tired of seeing repeat felons on the news in possession of firearms. The legal system isn't working.
