Measure: SB348

As with any gun control, it does not work. Law abiding citizens are the one who are be restricted all while criminals are breaking the law everyday. Criminals don't fall the LAW! Also with oregon legislators, politicians, and city officials defunding our law enforcement, it makes it hard for law abiding citizens to protect our selves. This gun control bills have not stop criminals! It has been proving time after time in other states like California, New York, and Illinois. Also in countries like Australia and Europe. To add to this, the 2nd Amendment states shall not be infringed on!!! This bill in a complete infringement on our rights and liberties. I strongly oppose this bill! Start funding law enforcement and stop been soft on crime!!!
