Measure: SB348

Measure 114 needs to be fully implemented as passed by the voters without exceptions. We need to return to sanity concerning gun ownership. It's obvious clutching a gun with clenched teeth while proclaiming "This is my RIGHT!" denies the basic reality of all guns: they kill. In the wrong hands they are lethal. Specifically, if you are a hunter this is clearly obvious - guns kill. We need a change in our attitude. With gun ownership comes RESPONSIBILITY. Stop the killing. These are not toys. Guns are serious tools designed to kill. We need to return to the days when they were seen as such. Please do not weaken Measure 114. Change our mindset and make "responsibility" the first word that comes to mind rather than "right".
