Measure: SB348

I STRONGLY OPPOSE THIS BILL! It's simply a work-around for Measure 114, which is being held up in the courts as possibly being unconstitutional. The Constitution states that we have the right to bear arms; poor people can't afford \$150 just for a permit! This bill will not keep us safer! Criminals will always find a way to get a gun, they don't care about permits!
