

Submitter: David Meador
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB348

As an armed forces veteran, as a father, and as a law-abiding citizen I wholeheartedly oppose SB348. These laws will not only violate State and Federal constitutional rights, they will also do nothing to stop gun violence. By continuing to infringe on the rights of people trying to do the right thing, you are encouraging lawlessness and losing the confidence of your voters. Stop SB348.
