

Submitter: Martin Troyer

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

My family opposes this bill. It is an egregious use of power to gut and stuff a short bill with a 60+ page amendment. This is a back door attempt to subvert the constitutional rights of Oregonians, and is clearly bad law that cannot pass Oregon or Federal court muster. This is not an emergency, but is an anti-gun power grab -- again -- by the majority Democrats. We oppose this bill.
