

Submitter: Rob Taylor

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

I oppose SB348 due to its violations of the Second Amendment of the US Constitution.

It is the replacement for Measure 114, which is now being contested in court. People are most likely to contest SB348 in the courts and the legislators should not be wasting the taxpayer's money on BAD legislation that will likely face a legal challenge.

Vote NO on SB348!!!
