

Submitter: Shawn Welo

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

This bill is a complete violation of the 2nd Amendment of the right to an American of their right to bear arms! The right of the people to keep and bear Arms, shall not be infringed! Very obvious that Democrats do not care about the good law-abiding citizens of the United States! Without any real consequences to criminals in our society, good law-abiding citizens unfortunately these days have to arm themselves to protect their property and families! This bill is further trying to take away Americans unalienable rights to life, liberty, and the pursuit of happiness!
