

Submitter: Garrett Pieren  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB348

This bill is 100% unconstitutional. And shame on the senate for pushing this through before the Judiciary process can be completed! Sense is not common anymore and it shows. Oregon is the laughing stock of the country. Every year we inch closer to communism in Oregon because of your policies. Middle class is struggling because your policies, do something right for the citizens that elected you. If the district you represent voted this down then you should also vote it down. Us normal citizens are so tired of cult like party lines! Vote for what your people want! Not what your party wants.

Thank you  
Garrett Pieren.
