On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB348

S.B. 348 is an affront to the Lawful citizens of this Nation and State! The Ratification of 1791 assures citizens of our God given Rights! I expect nothing less of our elected representatives, to do nothing less than uphold the Oath to the Constitution they Swore to do! We shall not be subjects of a monarchical aristocracy but Citizens of a free State and Nation!!!!
